# **PacCNC**

*Manufacturer of High Quality Stampings*

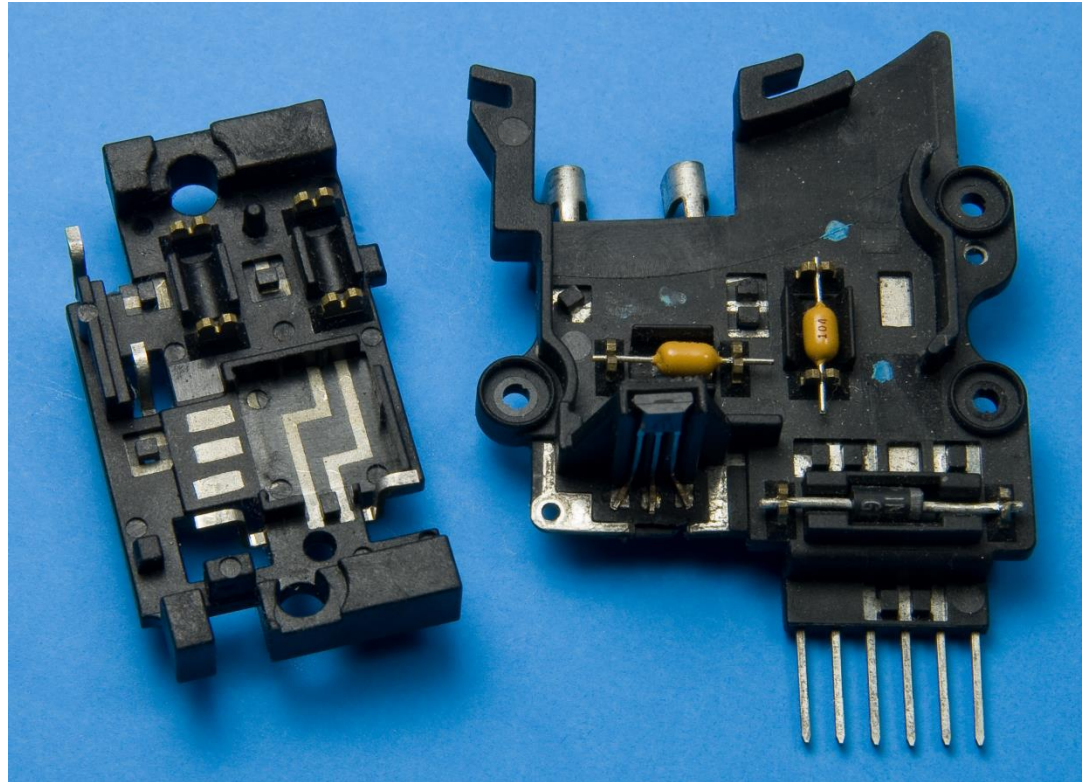

## Metal Stampings using precious metals

1. Brass
2. Copper
3. Phos-Bronze

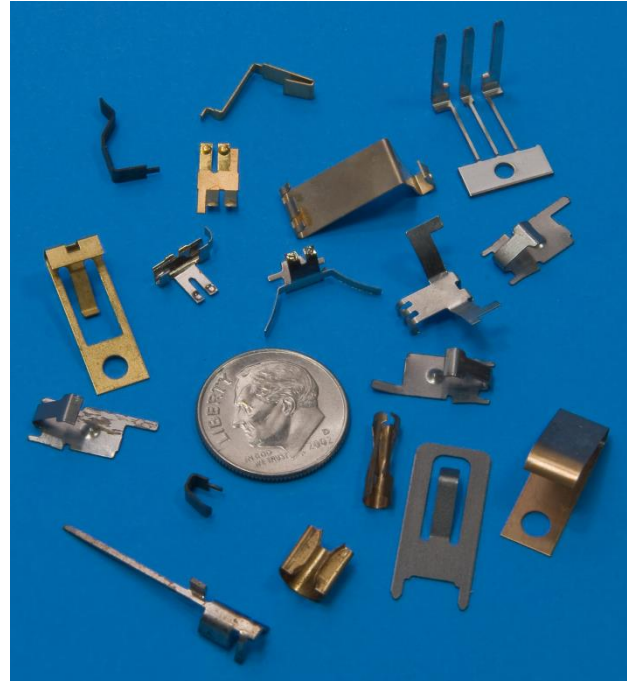

## Over molded Metal stampings

One of our strengths is working with plastic injection molder's that have intricate requirements and tight tolerances.

## Small Intricate Stampings to a Large Stout Stampings

Whether your need is a very small delicate part to a large stout part. Pac CNC has the machinery and the knowledge to make a part that fits your needs.
